Five finger Prayer

- When you fold your hands, the thumb is nearest you. So begin by praying for those closest to you- your loved ones (phil.1:3-5)
- The index finger is the pointer. Pray for those who teach-Bible teachers and preachers, and those who teach children (I Thess.5:25)
- The next finger is the tallest. It reminds you to pray for those in authority over you – national and local leaders and your supervisors at work (I Tim. 2:1,2)
- The fourth finger is usually the weakest. Pray for those who are in trouble or who are suffering (James 5:13-16)
- Then comes your little finger. It reminds you of your smallness in relation to God’s greatness. Ask Him to supply your needs (Phil 4:6,19)

Talk to Your Father. He wants to hear what’s on your heart.
