

Praise and Prayer Calendar

Pray for.....

...High School students that they may finish the year well and those seeking summer employment

... Parents as they seek to wisely and courageously parent children of all ages

....Families that are dealing with grief or serious illnesses in their families

... The Many Missionaries throughout the world that they may courageously proclaim the Gospel

... Young Adults as they determine where the Lord would have them serve and provide them with Godly support and influences in their lives.

.... Mitchell & Janeen Michie as Mitchell takes printed copies of the translation of Mark to the church groups in the Kala villages to review and will conduct a village comprehension check. The village check is the final step before the consultant check on Mark scheduled for July 1-12. Praise God that the conflict between Kala villages has been resolved!
