**Wednesday**, May 24th, at 7:30 PM, we welcome Thomas Bailey from Creation Ministries International. CMI is a church-building ministry. Their main goal is to help equip Christians with biblical and scientifically accurate responses to questions about the events in Genesis. They desire to enable Christians to demolish arguments that the world has used to convince many people (including Christians) that the Bible isn't true. Thomas' passion for this subject, his biblical insight, and his delivery of high impact visuals results in a presentation sure to create a lasting impact in a believer's walk with Christ, while causing non-believers to consider the true claims of the Bible. Please consider joining us here on Wednesday.

**Volunteer appreciation Tea** @ MacGregor Health Centre, Wednesday May 24 @ 2:00 p.m. see poster for details.

**Note:** Due to the presentation on Wednesday night here at the church and a few other factors, we won't be having an Ascension Day service here at the church on Thursday. Instead, we will highlight and emphasize the importance of this important day in next week's Sunday morning service.

**Youth Progressive Supper** – Friday May 26 at 5:30 p.m. Please see sign up sheet in the foyer for anyone interested in hosting the youth for a portion of the meal.

**Men's fellowship** barbeque, May 28 @ 5 p.m. @ the church. Brad Dyck will be speaking. **Let Dale know if you plan to attend by Wednesday**, to know how much food we need. Text/call – 204-870-2803.
